Leave society and take no one with you but your true self.

Get close to nature.

Yet I cannot tarry longer. The sea that calls all things unto her calls me, and I must embark.

For to stay, though the hours burn in the night, is to freeze and crystallize and be bound in a mould.

Fain would I take with me all that is here. But how shall I?

A voice cannot carry the tongue and the lips that gave it wings. Alone must it seek the other.

And alone and without his nest shall the eagle fly across the sun.

his knowledge . . .
The knowledge to take hold
of the rare opportunities
and create from them
meaningful moments,
To experience the warmth
that comes from caring for
others,
To love and find
contentment in the Natural
Beauty that surrounds us

To Reach out and Touch
the lives of others and to be
touched by them in return,
To attain the Needed
Endurance of Life itself and
to treasure its everlasting

Student Council Promotes Activities

The Thomas Jefferson Student Council serves as a link between the faculty of T. J. and the student body. Each year they solve many of the problems that exist at T. J. This year they all spent many hours working out the problems involved in having a homecoming. The result was a very beautiful and successful homecoming.

Besides solving problems the Student Council also plans and organizes many of the activities that go on throughout the year. Several examples were hush day, teachers' appreciation day, intramurals, and 50's day. Considering the amount of work and time spent on each of these, none would have been successful without the members of the Student Council.

The Thomas Jefferson Theatrical Society is an old and a new organization. It is the combination of three old clubs who have joined forces in forming one new one. The Stage Crew, International Thespians and Center Stage have merged to become T.J.T.S. The purpose of this merger was to coordinate the efforts of the various theatre groups here at T.J., so that the overall quality or production can be steadily improved.

The International Thespian Society is an honorary organization of high school students from many countries who have achieved a high level of theatrical contribution both on stage and behind the scenes. These students, through dedication, diligence, cooperation, blood, sweat, and tears, have worked on several productions for many long hours in order to grow, to learn, and to share happiness.

The Stage Crew is an elite, hand-picked organization of special people. Their "specialness" comes from being dedicated to providing the school with trained personnel to operate all the theatrical equipment for all events which occur in the auditorium. Not only do they work on the major productions, but also they build sets for the talent show, UIL One-Act Play, the DISD Drama Festival, all pep rallies, and the various other assemblies which occur during the year. These students are sometimes here at 7:30 in the morning and many times don't leave until 11:00 at night. Without their devotion and labor, no productions would even be possible.

The T.J.T.S. fall production was *The Teahouse of the August Moon,* by John Patrick. The UIL One-Act Play Contest entry was a cutting from Shakespeare's *Romeo and Juliet.* The competition was held at H. Grady Spruce H.S. on April 7. T.J.T.S. also entered several types of talent in the 2nd Annual DISD Drama Festival, one of which was *The Romancers,* by Edward Postand. This was the original play that the smash broadway hit. *The Fantastiks* was taken from.

T.J.T.S. members have had a year full of work, but it was also very fulfilling.

Document Award

Every year a few students are chosen to receive the *Document* Award, in accordance with the tradition established with the publication of the first *Document*. These staff members not only show outstanding performance in their own staff duties, but also unselfishly give their services to others on the staff. This recognition goes to a group of students who successfully carry on the tradition of presenting a book in the standard of excellence begun by the first *Document* staff.

Document Staff Records the Year

The purpose of a high school annual is to record the events of the year in copy and pictures. From the football victory over White to "Teahouse of the August Moon" and "Brigadoon," to the distribution of Senior rings, the yearbook staff attempts to capture the feelings, as well as the facts, of the year's highlights.

While recording the year, the staff learns the business of producing an annual. The hours devoted by each staff member to his section, the frustrations, the fourth time corrections, and the late nights with a quad-pack are rewarded by the satisfaction of having a terrific book at the end of the year. Each staff member pulls for the others, and a total commitment toward the book drives each to success and completion.

Reveille Changes With the Times

SPONSOR: Mrs. Kay Eby

In recent years the news media has been in the news due to changing trends in journalism. In keeping with this, TJ's newspaper, the *Reveille*, has undergone changes in the past few years. By means of its tabloid format, the *Reveille* presents personal interviews, editorials, cartoons, and articles which entertain as well as inform.

Staff members are chosen for their positions after a year of Journalism I. Under the guidance of Mrs. Eby they produce one 12 page edition a month, with a special senior edition.

Between the responsibility of selling advertising to help fund the paper and the flurry of activity to meet production deadlines, staff members get a feel of journalism as a career.

This year's football season would not have been complete without the loud cheers and crazy antics of the Senior Spirit Club. As always they cheered the teams through victories as well as defeats. This year, though, the Spirit Club made a special effort to explain what the club's true purpose really was. They rewrote their original constitutions which only contained rules and regulations, to include the idea of having fun. With this point clear the spirit club members certainly had fun as well as displayed a true and deep spirit for our teams and our school.

Liberty Belles add spirit to halftime

The Liberty Belles began practicing in July at a camp at S.M.U., where they won many awards. The Liberty Belles won first place in military dance and their captain, Bernadette Ploch, won outstanding dancer, and a ribbon in jazz. Three other ribbons were given for military to Sheri Milligan, Karen Matkins and Lisa Jackson. This was just the start of a very fun and fulfilling season for the drill team.

Band lets the beat go on

The Thomas Jefferson marching band's work started early last summer even though there was no band director. Andrae Rhyne, the drum major, got the band together so that they would be ready for the beginning of the football season. By the time Mr. Umphenour, the new band director, arrived, the band was well on its way to being ready for the first game.

During school, the band arrived everyday at 7:30 a.m. They could be seen marching in the field rain or shine. Their hard work really paid off as anyone who went to the games could see.

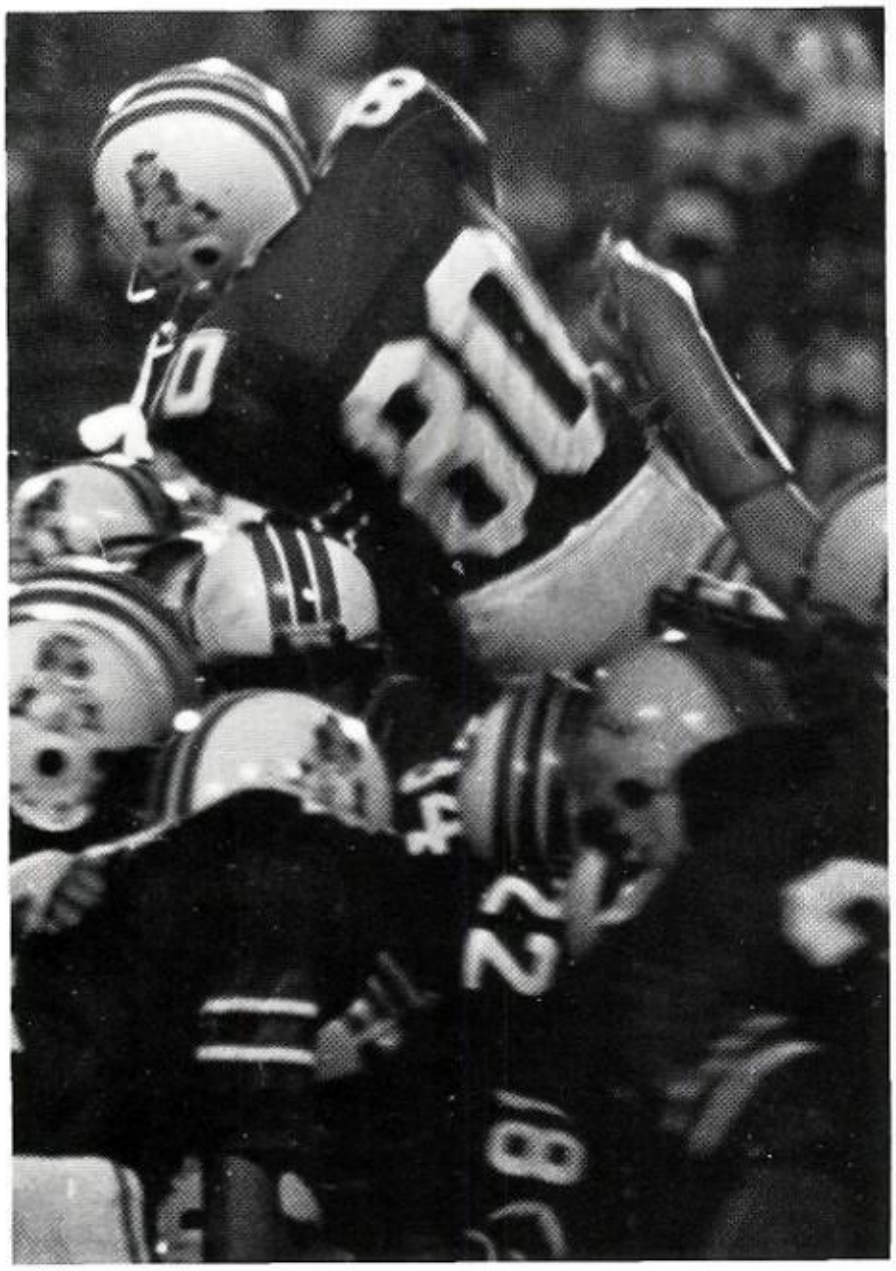
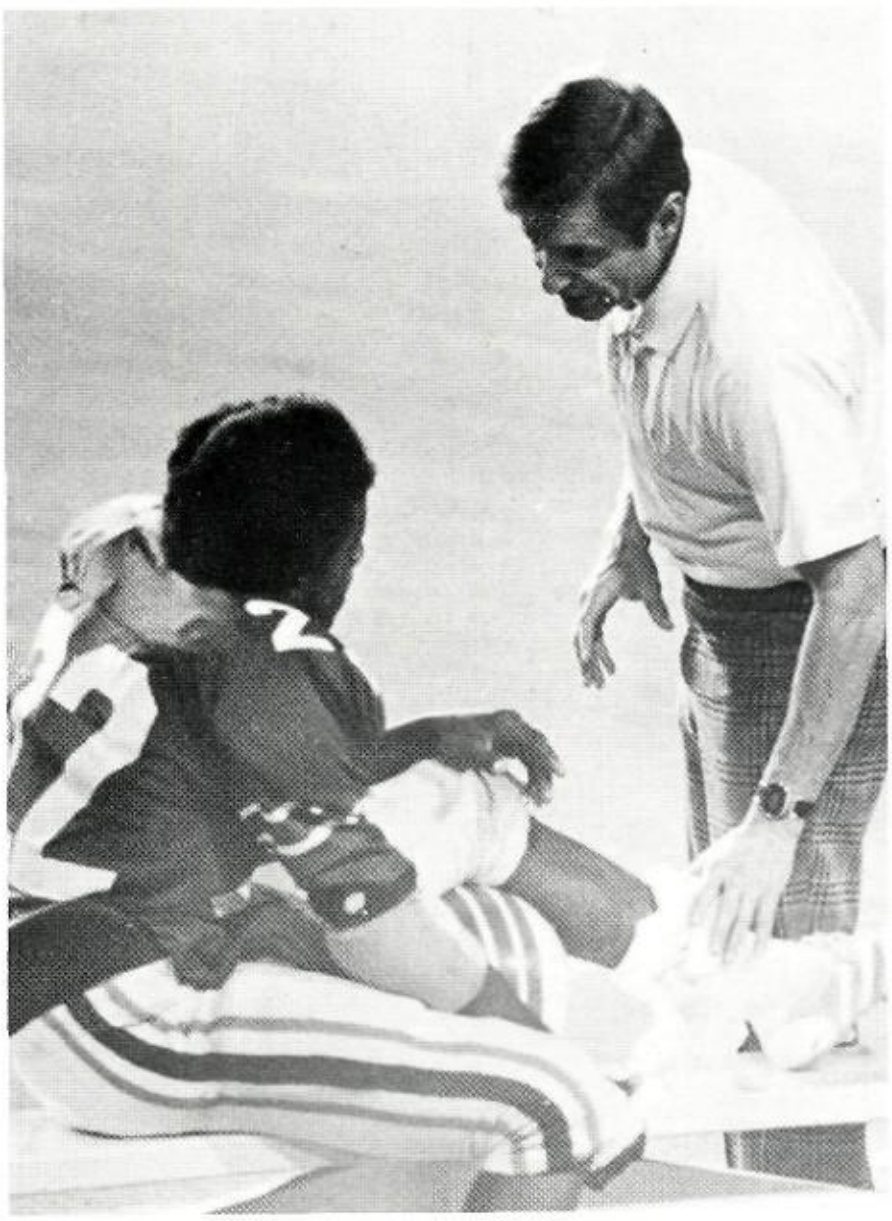
Patriots Ground Gophers

In the opening game of the season, the Patriots charged for a seemingly solid 38-0 lead over the Grand Prairie Gophers. The offensive, consisting mostly of Juniors, looked exceptionally strong for so early in the year. Quarterback Dwain Banks threw two touchdown passes and ran in another touchdown while rushing 13 times for 117 yards. The kicking game looked good, making 5 extra points and averaging 35 yards per punt with good kick-off coverage. The defeated Gophers rallied in the 4th quarter and managed to take 24 points from a surprised TJ defense making the game's final score of 38-24.



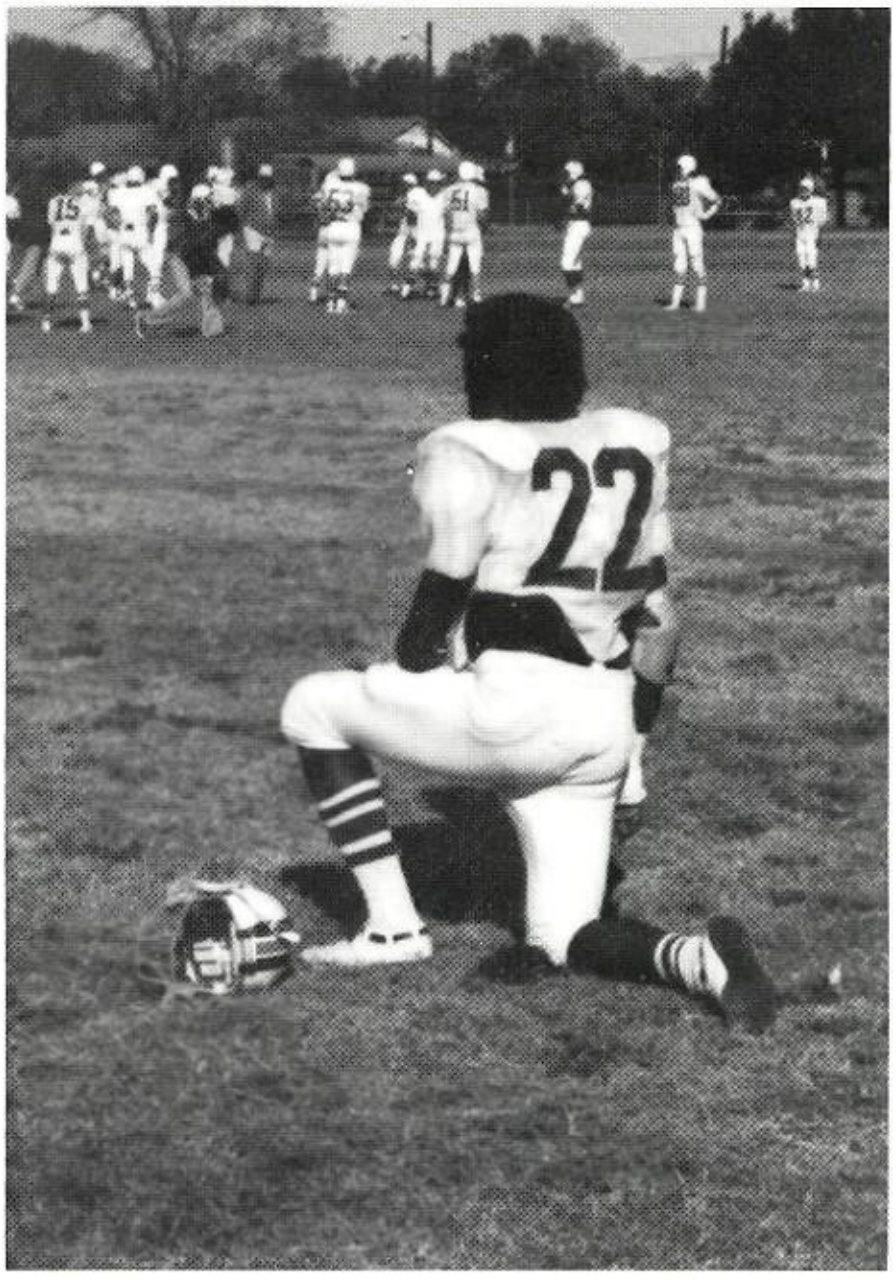


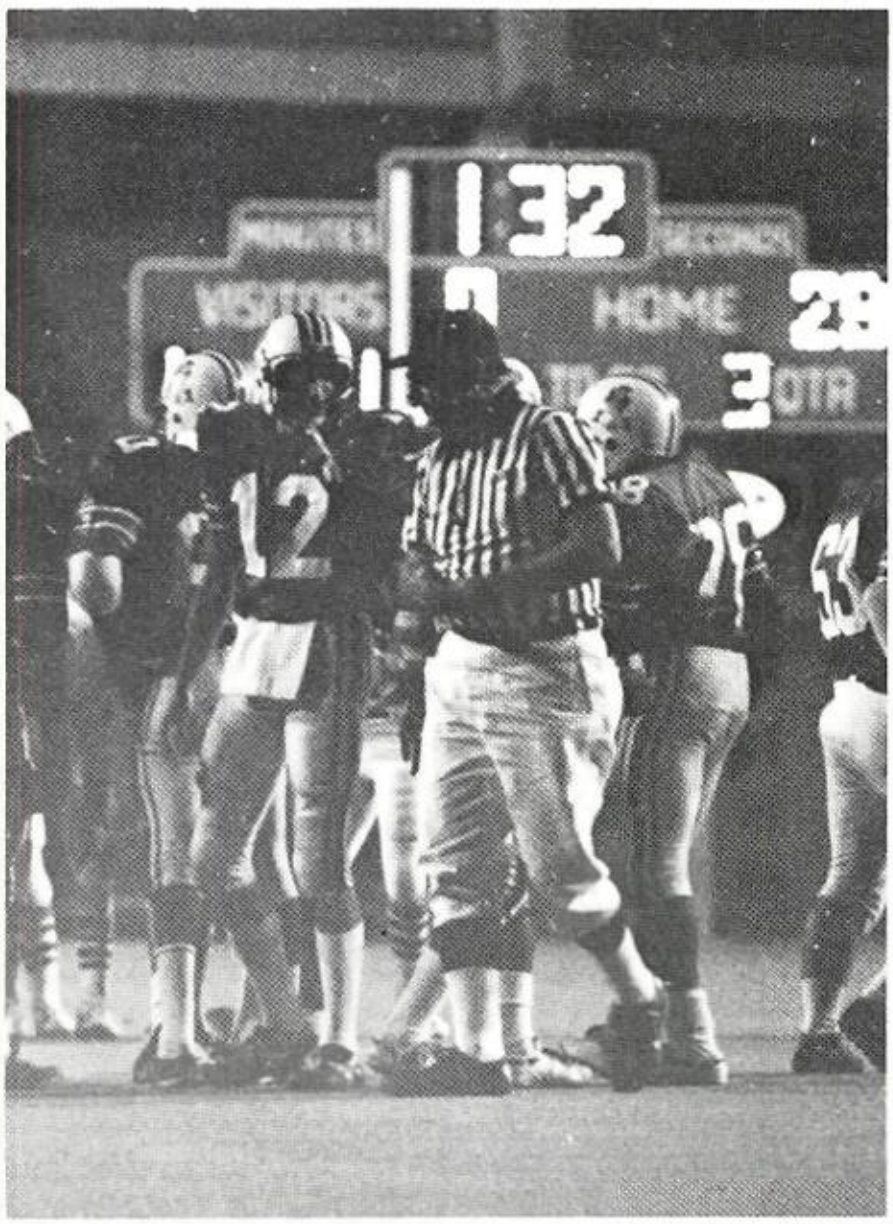
Patriots Fly by Eagles

With both teams having a frustrating night offensively, TJ's strong defense made the important difference as the Pats scored a 7-2 victory over Wilmer-Hutchins. The Patriots score came during the 2nd quarter when Donny Strain recovered an Eagle fumble at the 4 yard line. Quarterback Dwain Banks then passed to Al Whitfield for the touchdown and David Meyer's kick upped the score to 7-0. A miscue by TJ in the 3rd quarter resulted in a safety for Wilmer-Hutchins putting their only 2 points of the game on the board. Fumbles consistently halted promising drives by both teams in the 4th quarter. Patriots Randy West, Garry Thomas, William Reed, and Walter Wilkinson made key defense plays that contained the Eagles and held onto the 7-2 score.

TJ Scalps Apaches

In the District 11AAAA Opener, the undefeated Patriots subdued Spruce with a 34-6 victory. In the first half, TJ completed only one touchdown but made a tremendous comeback in the 3rd quarter. As the 2nd half began, TJ drove 79 yards and scored on a pass from Dwain Banks to M.J. Marable. The next score came when Marable intercepted a Spruce pass at the 45, and TJ drove 55 yards to make the score 21-0. Another Spruce fumble set up the Patriot's next scoring drive. Patriot linebacker Freddie Billops recovered the fumble at their 48, and on the next play Banks connected on a 52 yard bomb to Marable for another score. In the 3rd quarter Spruce fought back and scored their only touchdown. Moments later, the Pats added another 6 points as Curtis Davenport blocked an Apache punt at the Spruce 38, scooped it up, and ran in untouched for the final touchdown of the game.



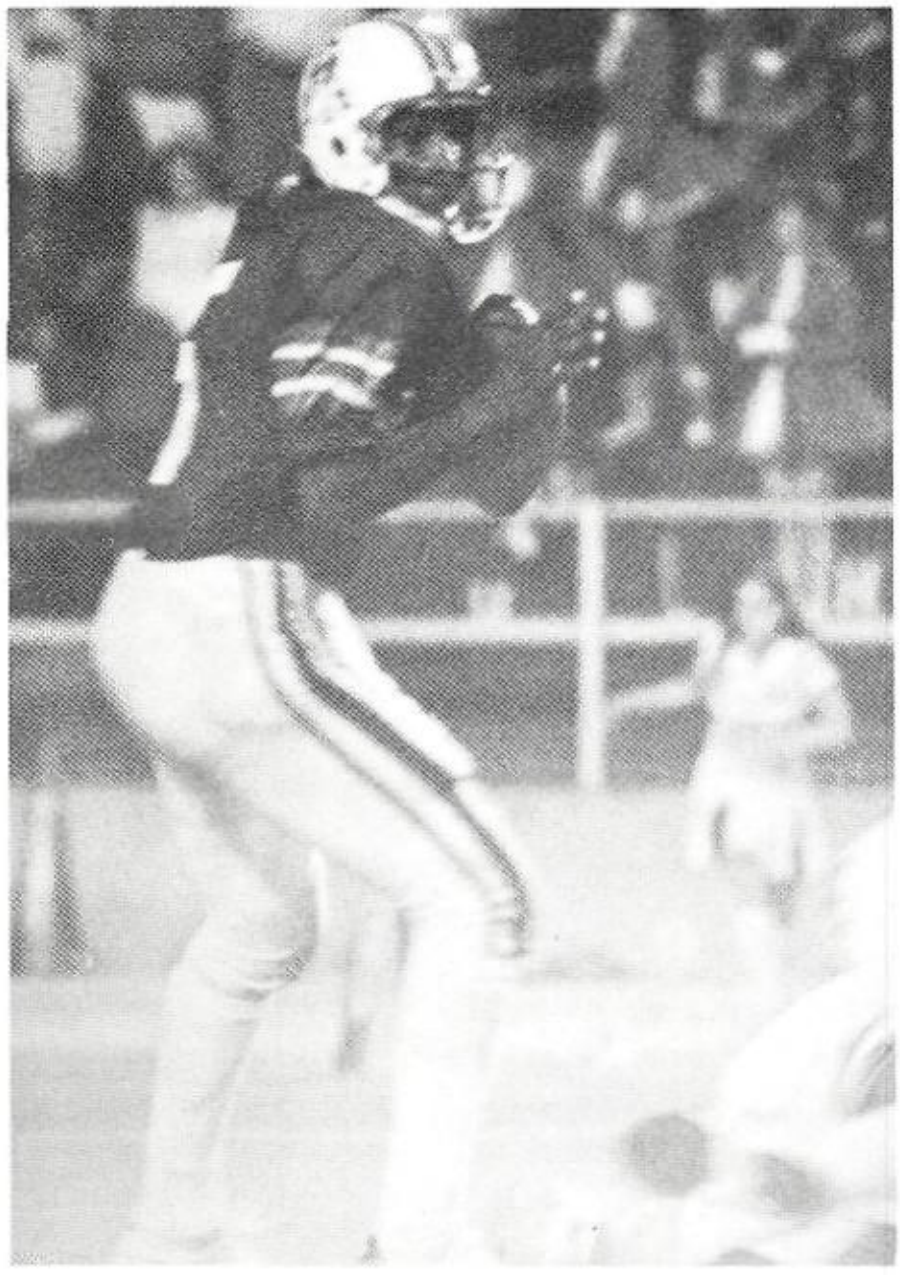


Samuell Slips by TJ

In TJ's 4th game of the season, the Patriots were defeated 13-12 by Samuell in a game in which kicking was definitely the deciding factor. Samuell drew first blood with a 42 yard field goal. Later in the 1st quarter, TJ's first scoring drive was culminated by a 4 yard run by W. G. Jones for a touchdown. The P.A.T. attempt by David Meyer was no good. In the 2nd quarter the Patriots pulled ahead with a 30 yard touchdown run by Eric Vidal.

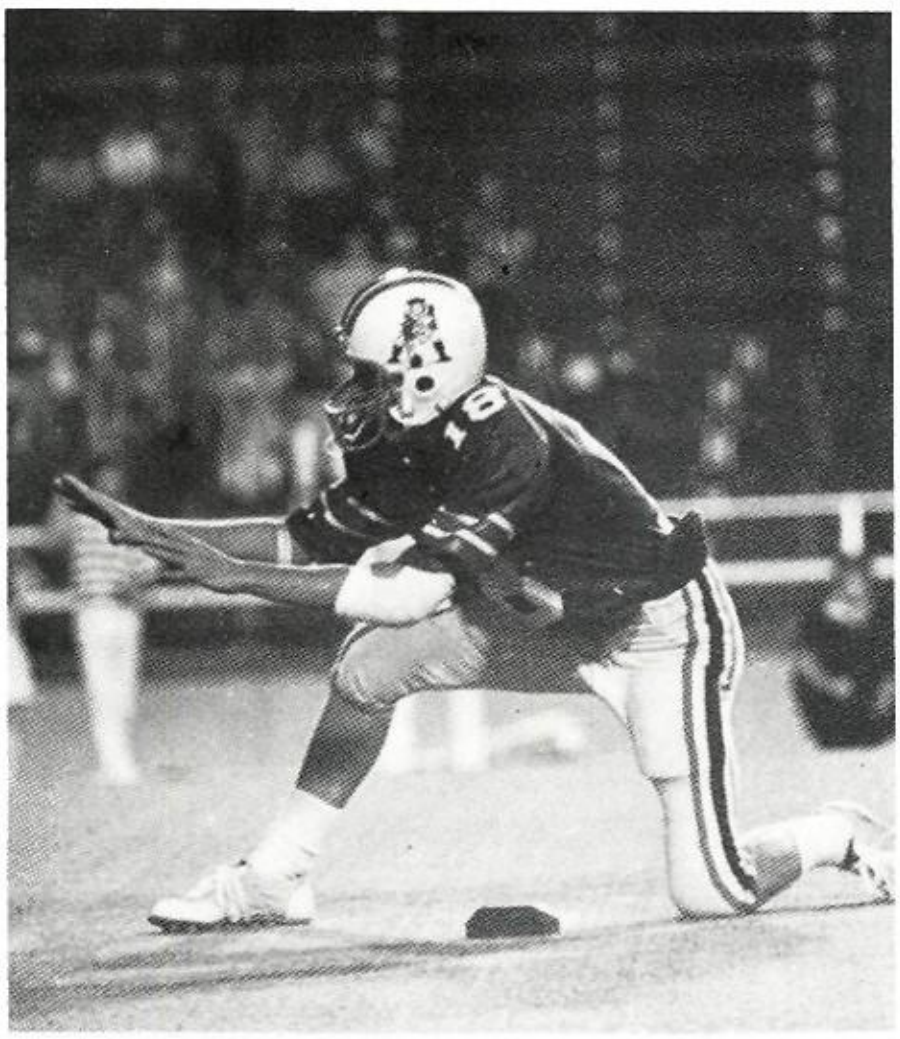
The Patriots led 12-3 over Samuell at half time. Samuell rallied for a comeback in the 3rd quarter when a Spartan ran 4 yards for a touchdown after a fumbled punt by TJ. Their P.A.T. was successful. That made the score 12-10. Samuell's winning points came from a 29 yard field goal in the last 3 minutes in the game. TJ's attempt for a 28 yard field goal in the last 5 seconds fell short, giving the game to the Spartans 13-12.

Skyline skims by TJ



TJ'S game against the Skyline Raiders was hampered from the beginning by a steady downpour of rain. The Thomas Jefferson offense was also soggy, and there was no score in the first quarter of play. The Patriots' only drive consisted of a long run by Darren Staton and a pass by Dwain Banks to Al Whitfield, both for first downs. The scoring threat was halted when Banks was intercepted by a Raider, for a 59 year return to TJ's 21. Skyline was unable to move the ball, and turned possesion over to TJ.

The game's first impression on the scoreboard came in the third quarter, on a 58 yard run by Dwain Banks. David Meyer converted. The remaining 3 minutes of the game, Skyline scored twice. Neither extra point was good, making the final score 12-7.



Cougars Claw TJ

The hard fought game against the Bryan Adams Cougars ended in a TJ disappointment when the Patriots lost 20-6. Bryan Adams scored two touchdowns and one extra point in the first half, while the Patriots planned a second half comeback. Darren Staton fought his way 34 yards through the Cougar offense for the only TJ touchdown. David Meyer attempted the extra point but it was destroyed when, in the last 5 minutes of the game, the ball was fumbled on their own 5 yard line. A Cougar charged his way down field for another BA touchdown. The scoreboard then read 20-6.

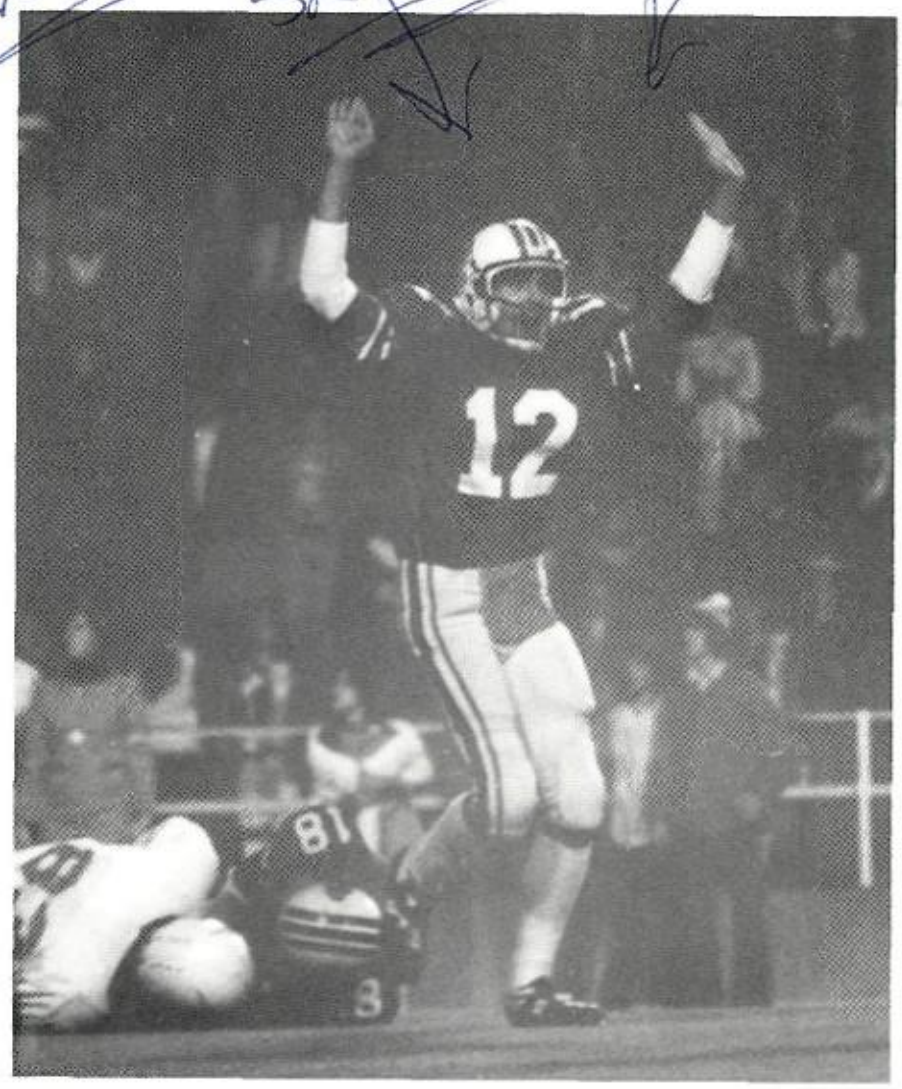
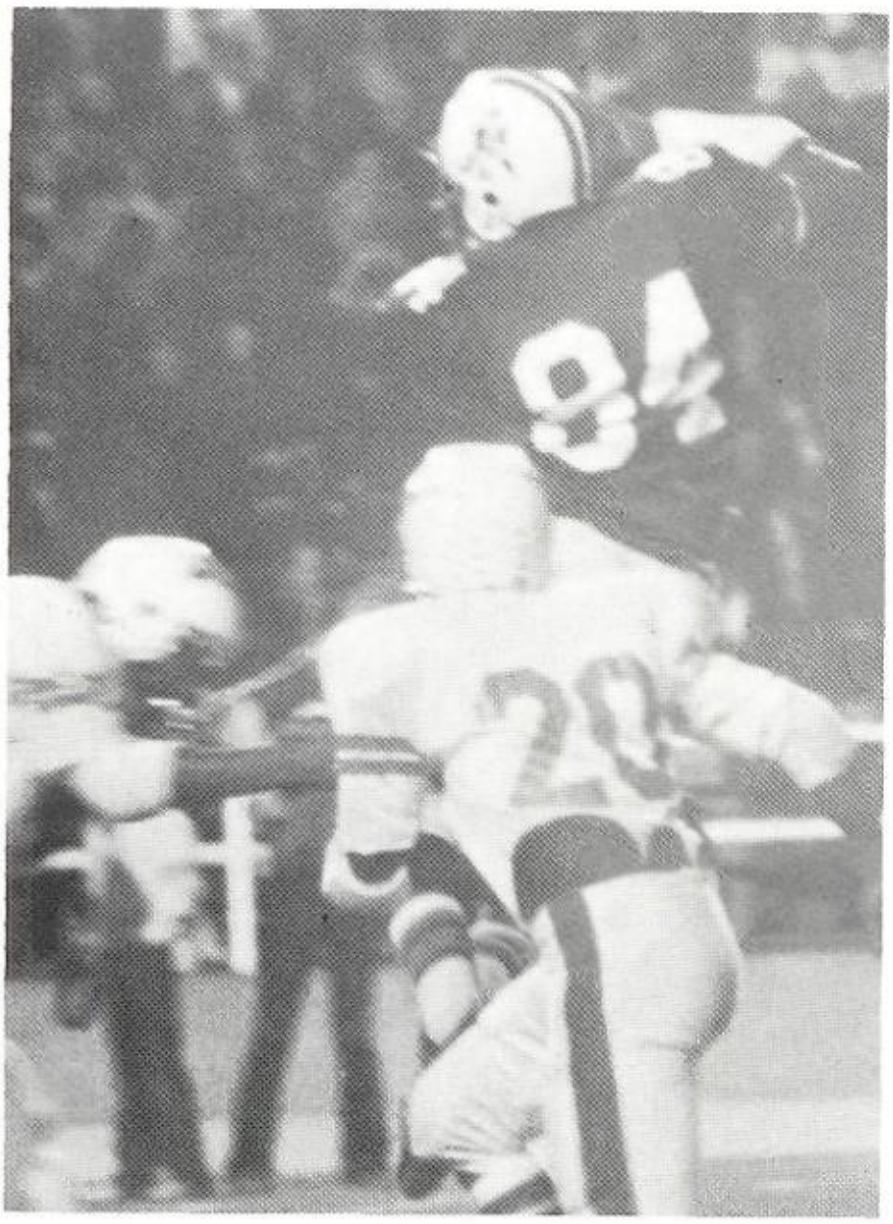
Panthers paw Patriots



The Hillcrest Panthers dropped TJ's district record to 1-5 in a decisive 17-9 win. The first half was a defensive show, with Hillcrest's only score coming on a 24 yard field goal. TJ's attempt at a 40 yard field goal failed, but a roughing the kicker penalty brought the ball up, and Dwain Banks put the second attempt at 29 yards through the uprights. The second half brought two Hillcrest touchdowns, one on a TJ fumble at their own 18, and the other on a long drive. The Patriots final score was on a Banks pass to Darren Staton, after which the 2 point attempt failed.

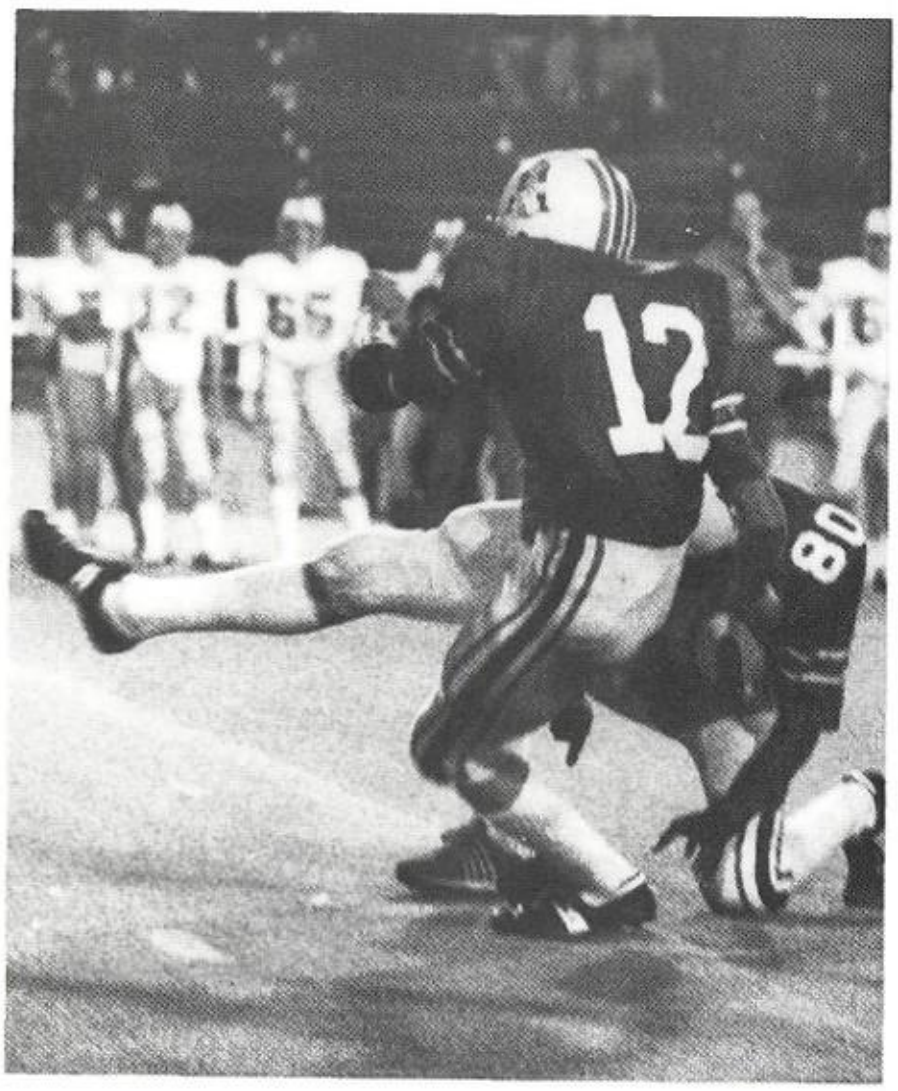


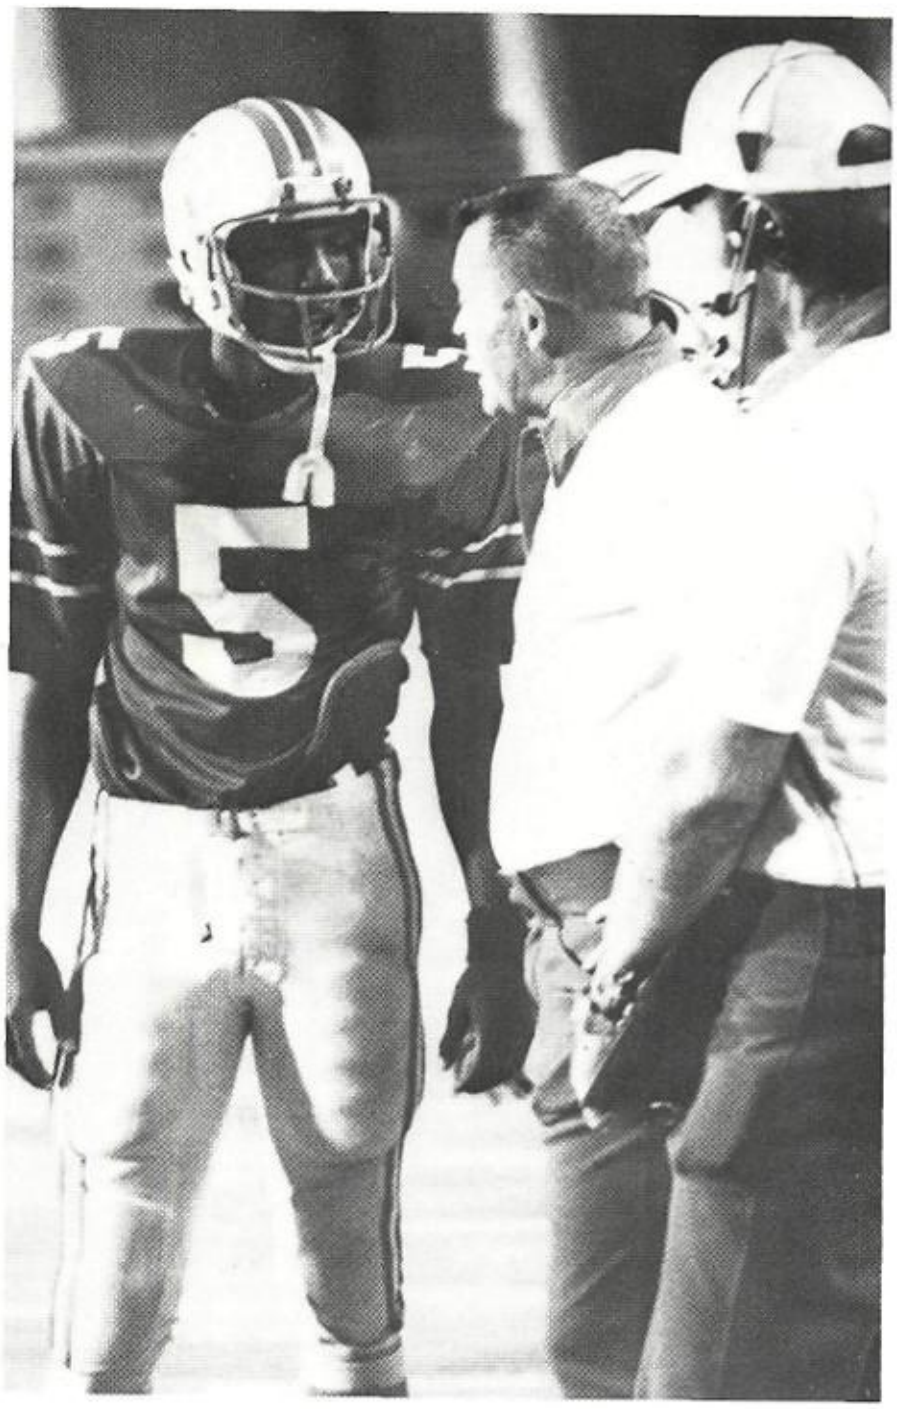
Wildcats wound Patriots

The Wildcats attempted to take control during the first period when they popped a 22 yard field goal for a 3 point lead. TJ then held the Woodrow offense without score for the rest of the half. The Patriots scored with one second left on a pass to Darren Staton ending the half with Thomas Jefferson ahead 7-3. In the third quarter Staton again received from Dwain Banks and forced his way 20 yards for the second TJ touchdown. In the last seconds of the quarter David Meyer increased the spread by 3 points with a 35 yard field goal making the score 17-3. But the Wildcats turned the game around in the fourth quarter. A 20 yard touchdown run and a 2 point conversion moved them to within 7 points of the lead. Woodrow then rallied again scoring a final touchdown and PAT to put them on top 18-17.

Patriots blast Tigers

The Patriots overcame the Lincoln Tigers with determined and heads up football. Both teams had numerous turnovers, but the Pats capitalized on the Tigers' miscues. A recovered fumble by Patriot Randy West on the Tiger 27 made it possible for the Patriots to march in for the first score of the game. Darren Staton took advantage of another Tiger fumble and ran in from the Lincoln 5 for the second TJ touchdown. The Patriots' final touchdown came on a tremendous 75 yard scoring drive capped by a 3 yard touchdown run by W. G. Jones. All P.A.T. attempts by David Meyer were successful which made the score 21-0 in the first half. Despite a spectacular 224 yard passing effort by the Tigers and 12 points, Lincoln could not overcome the fighting Patriots. Final score of the game was 21-12, Patriots over Tigers.





TJ waxes White

A night of rekindled, competitive feelings came again as the Patriots trampled their old rival the W.T. White Longhorns with a 25-23 victory. The Patriots finalized the score with a 22 yard field goal executed by David Meyer with 41 seconds left in the game. Thomas Jefferson scored twice without an offensive down in the first quarter. The Patriots benefited when a bad snap flew out of the end zone giving them a 2-0 lead. The point spread increased when M. J. Marable returned a punt 64 yards for a touchdown. White squeezed in a 26 yard touchdown making it 8-6. T. J. again widened the gap to 14-6 on a 44 yard pass from Dwain Banks to Darren Staton. In the last 27 seconds before the half the Longhorns made a field goal to up their score. White's last attempt to win came in the second half when a 28 yard touchdown was completed but was lost when W. J. Jones tallied from the 3 yard line for the Pat's final touchdown. David Meyer's field goal put the final score of 25-23 on the board giving the Patriots the game.

Shawna,
Well, another year is over and I'm ready for it. I only have a few regrets for this past year. One is that we didn't do better in football and another is that I didn't see you more. I sincerely hope I get you in a class next year or at least see you more.

J.V. Baseball

*Expects Good Season

The Thomas Jefferson Junior Varsity baseball team has an enthusiastic new coach this year, Mike Wallace. The object of the J.V. is to initiate the players into Thomas Jefferson's style of baseball and prepare them for their future years on the Varsity squad.

TJ had a good J.V. season last year and expects an even better one this year. Mike Reeves is a promising pitcher, who will definitely help the J.V. team a great deal. At the time of the *Document* publication, the team had only four workouts, but they expect their spring season to be one of the best ever. It is expected that each player will mature into a proud Patriot baseball player.

The twelve girls chosen by the student body as being the most beautiful girls in the school were honored at a Beauty Tea October 30th. The tea was held by members of the *Document* staff at Tupinamba's Mexican Restaurant on Northwest Highway.

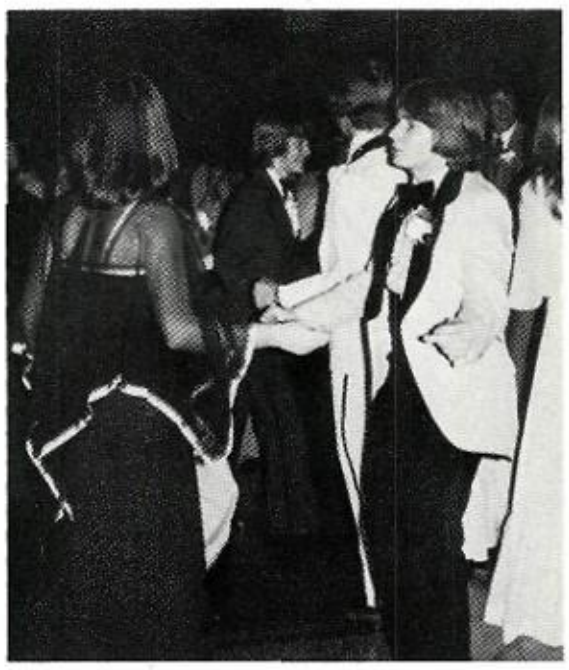
Homecoming Queen, Kate Thompson, and date, Cortelyou Nelson, lead off the first dance.

The 1977 Homecoming Dance was held at the Royal Coach Inn. Excitement from the victory over White the night before carried over to the dance to make it a night to remember. The mood was festive as everyone moved to the music of "Slippery When Wet."

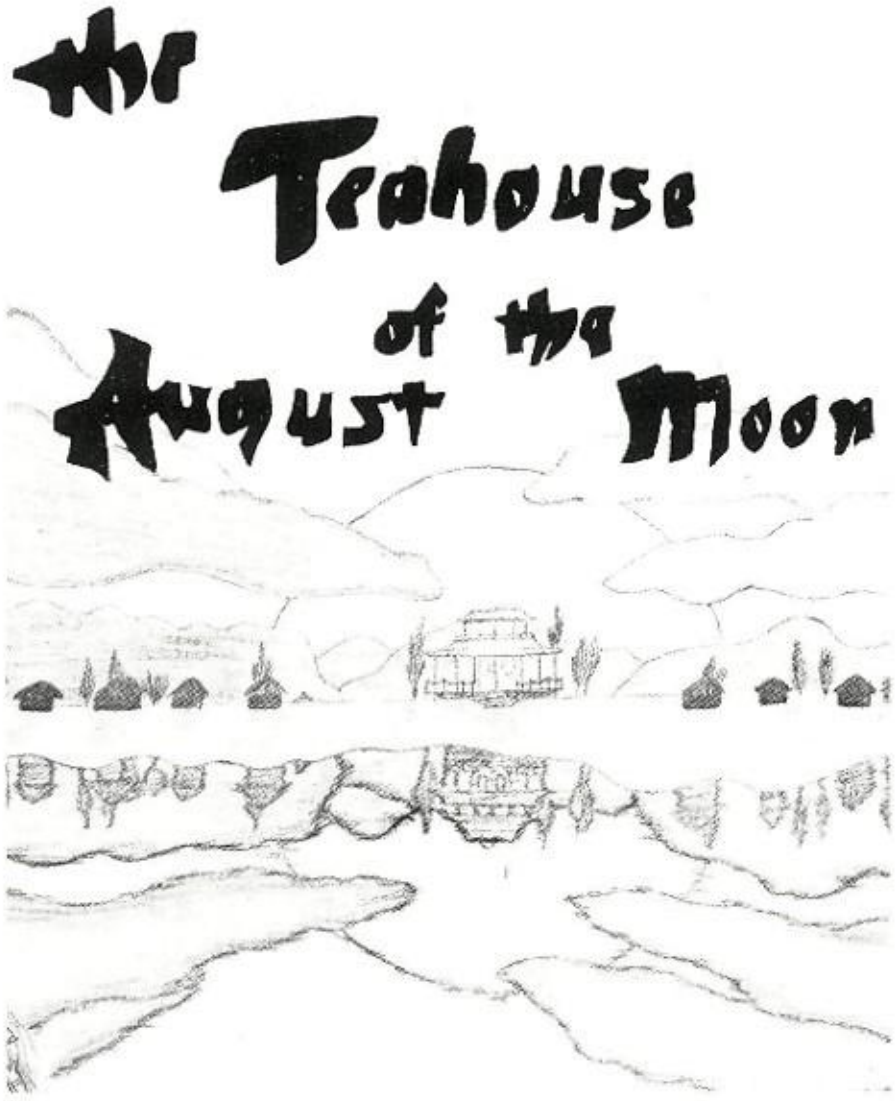
The highlight of the evening was the introduction of the Homecoming Court. Each nominee was escorted by her father to the dance floor where her mother presented her with a bouquet of roses. Each girl was then presented as a member of the Court and Mike Fisher announced the 1977 Homecoming Queen, Miss Kate Thompson.

"Slippery When Wet" pounded the sounds to help TJ celebrate its Homecoming victory over W. T. White.



Swayin' to the music.

All Class Play continues tradition of outstanding productions



TJ's 1977 All-Class Play was "Teahouse of the August Moon." The setting for the comedy was during WW II in Okinawa. It is centered around the efforts of two men, Colonel Purdy and Captain Fisby, to transform the village of Tobiki into an industrious village. Many comical consequences occur. Captain Fisby runs into many mishaps and falls astray of Colonel Purdy's wishes. His assignment to build a pentagon-shaped schoolhouse is defeated by the villagers. Instead, their wish to build a Teahouse is fulfilled and leads Captain Fisby to a near court martial.

Under the direction of drama teacher, Tom Brewer, and student director, Sharon Kissner, the play was an entertainment success. The long hours and hard work of Stage Director, Renee Page, and the rest of the Stage Crew certainly contributed to its fine production.

"Oh, where you been all your life, Boss?" "Living without one of these, I guess." Sakini (Russ Parkman) speaking to Fisby (Paul DeDoes) about the cricket cage.

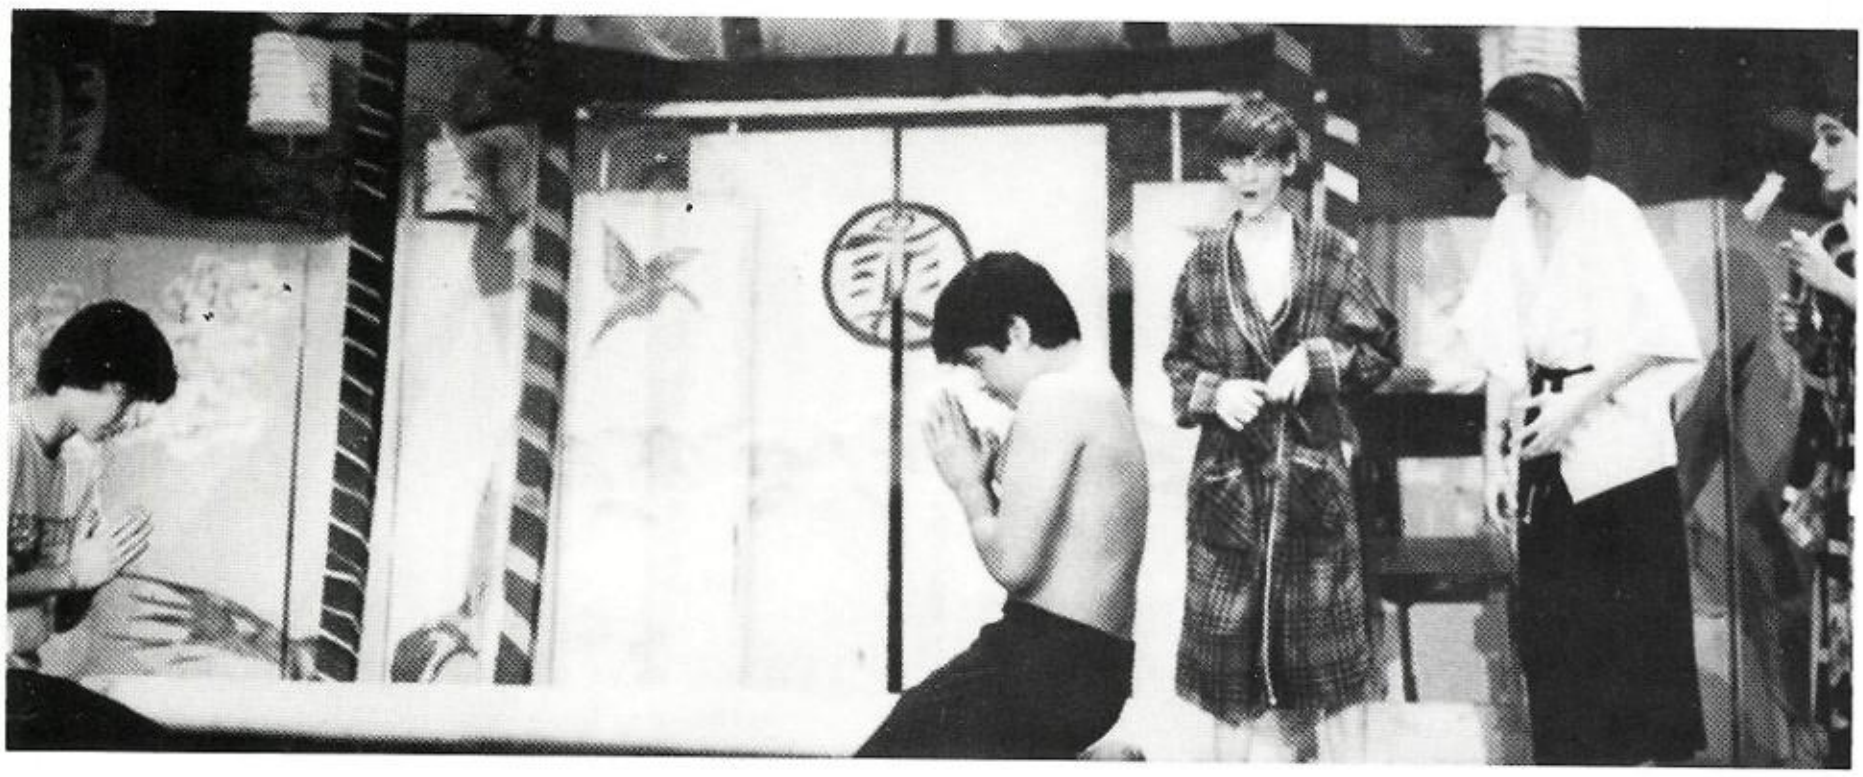
"But daughter not go without children and old lady not go without daughter. And if old lady not go — Mayor of Tobiki be mad at you." Sakini (Russ Parkman) speaking to Capt. Fisby (Paul DeDoes).

"The problem here, Sir, is a very old one. It seems to be a question of who's going to lose face." Fisby (Paul DeDoes) speaking to Purdy (Scott Leathers).

"But I can't build them a teahouse. I have no authority to do that." Fisby (Paul DeDoes) speaking to the people of Tobiki.

"Then tell her that I love what she is — and that it would be wrong to change that." Fisby (Paul DeDoes) telling Sakini (Russ Parkman) to translate.

"Osuma! Osuma!"



"Wrestling match between Chief of Agriculture and Chief of Police." Sakini (Russ Parkman) announcing the wrestling match.

"Captain Fisby, what in the name of occupation is going on?" Col. Purdy (Scott Leathers speaking to Capt. Fisby (Paul DeDoes).

Dancing girl (Cindy Yeilding) dances after the wrestling match.

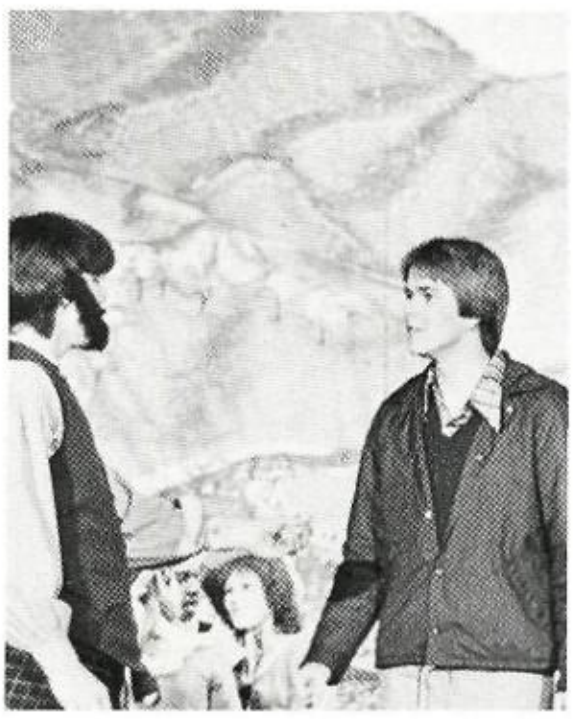
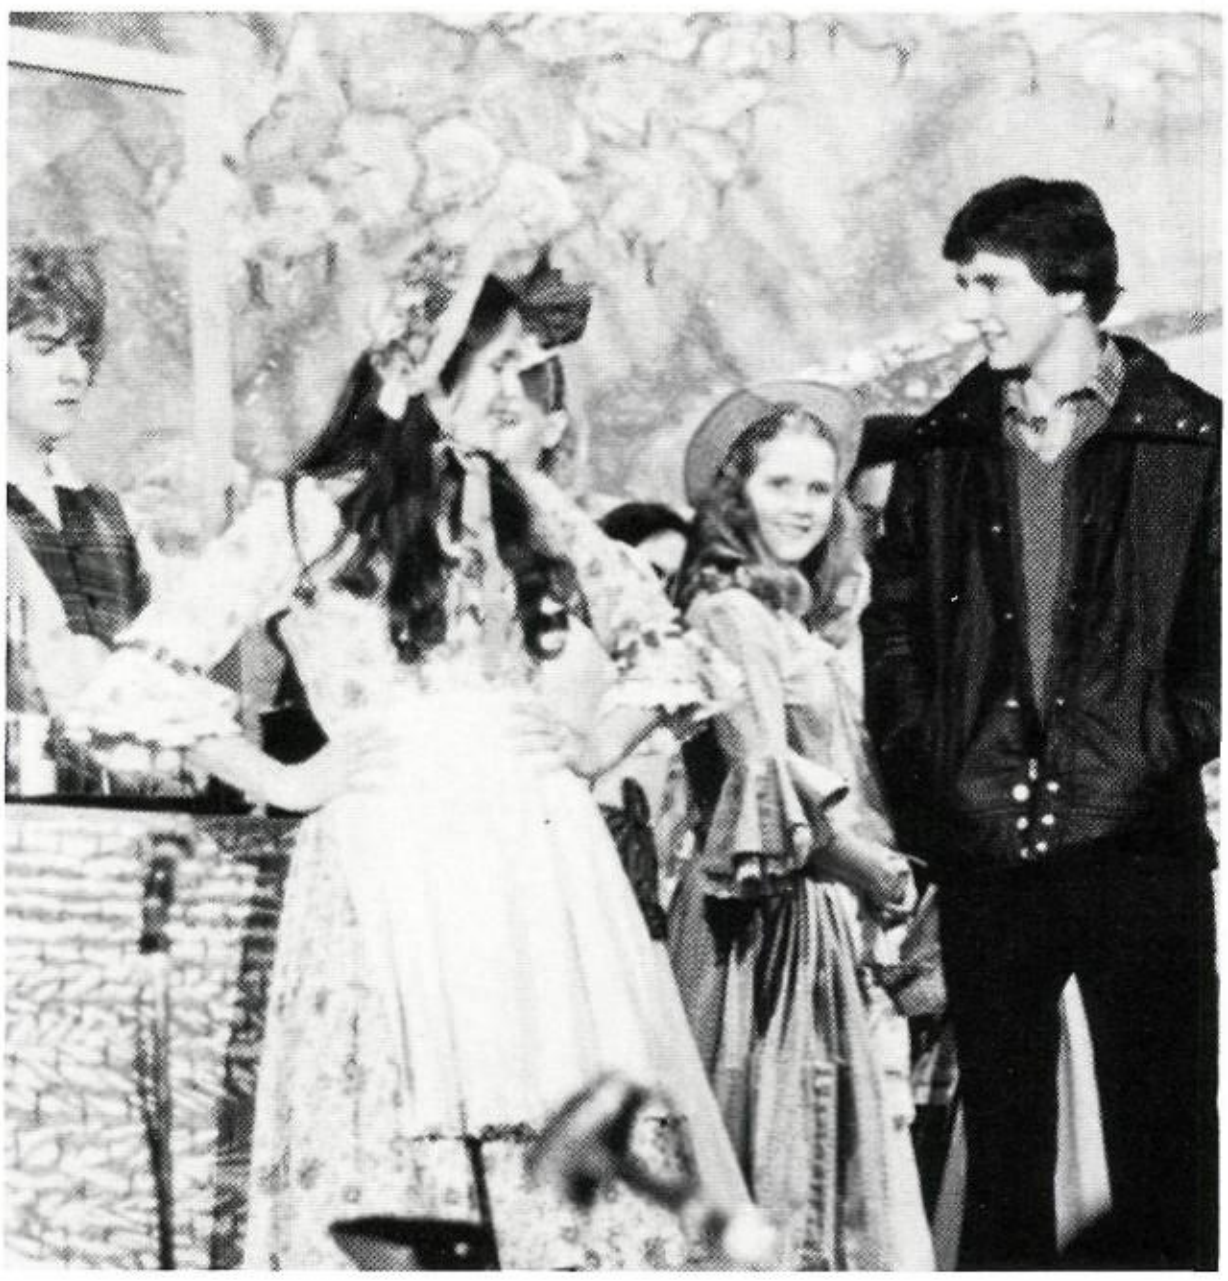
Magic of *Brigadoon* Comes to T.J.

The auditorium was alive with the sights and sounds of the gala performance of the 1978 musical, *Brigadoon.* The play centers around two young Americans, Tommy Albright and Jeff Douglas, who stumble upon the beautiful town of Brigadoon in the Scottish Highlands. They arrive just in time to join in the festivities of the upcoming wedding of Jean MacLaren to Charlie Dalrymple. Tommy meets and falls in love with Jean's sister Fiona and Jeff meets Meg Brockie. Tommy's love for Fiona and curiosity about Brigadoon grow stronger. Fiona sends him to the town's old schoolmaster, Mr. Lundie, who tells of the miracle of Brigadoon. Tommy decides that he cannot pay the price of Brigadoon even for the love of Fiona and so he and Jeff return to New York.

Under the direction of choral director, Jack Cannon and drama teacher, Tom Brewer, *Brigadoon* was a success. Stage manager, Renee Page, and the rest of the stage crew devoted time and talents to design and build sets and paint back drops for the musical.



"I'm sorry Sir, it does me no good." Archie Beaton (Russ Parkman) speaking about a shilling.



"Do you always wear this many clothes?" Jeff (Scott Leathers) speaks to Meg Brockie (Carla Potter).

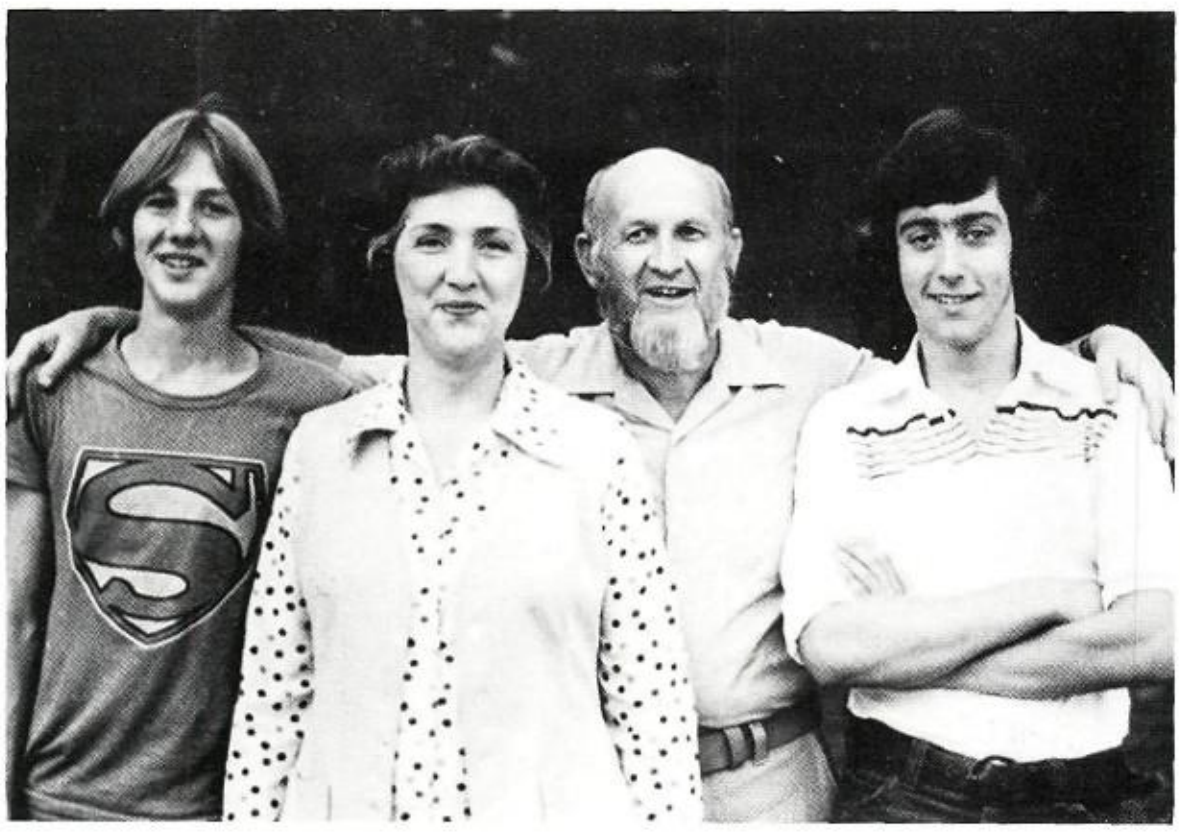
Foreign Exchange Students Adopt TJ

Jim Starocelsky is from Osorno, Chile, a city of 100,000 people. In Dallas he lives with Mr. and Mrs. Herb Hagler and their two-year-old son, Jeff. Jim's favorite thing about TJ is the different number of classes offered. Mastering English was not difficult for Jim because he also speaks Spanish and French. When not playing soccer, Jim enjoys going out and meeting people. Jim says the main difference between Osorno and Dallas is that Dallas is a lot larger.

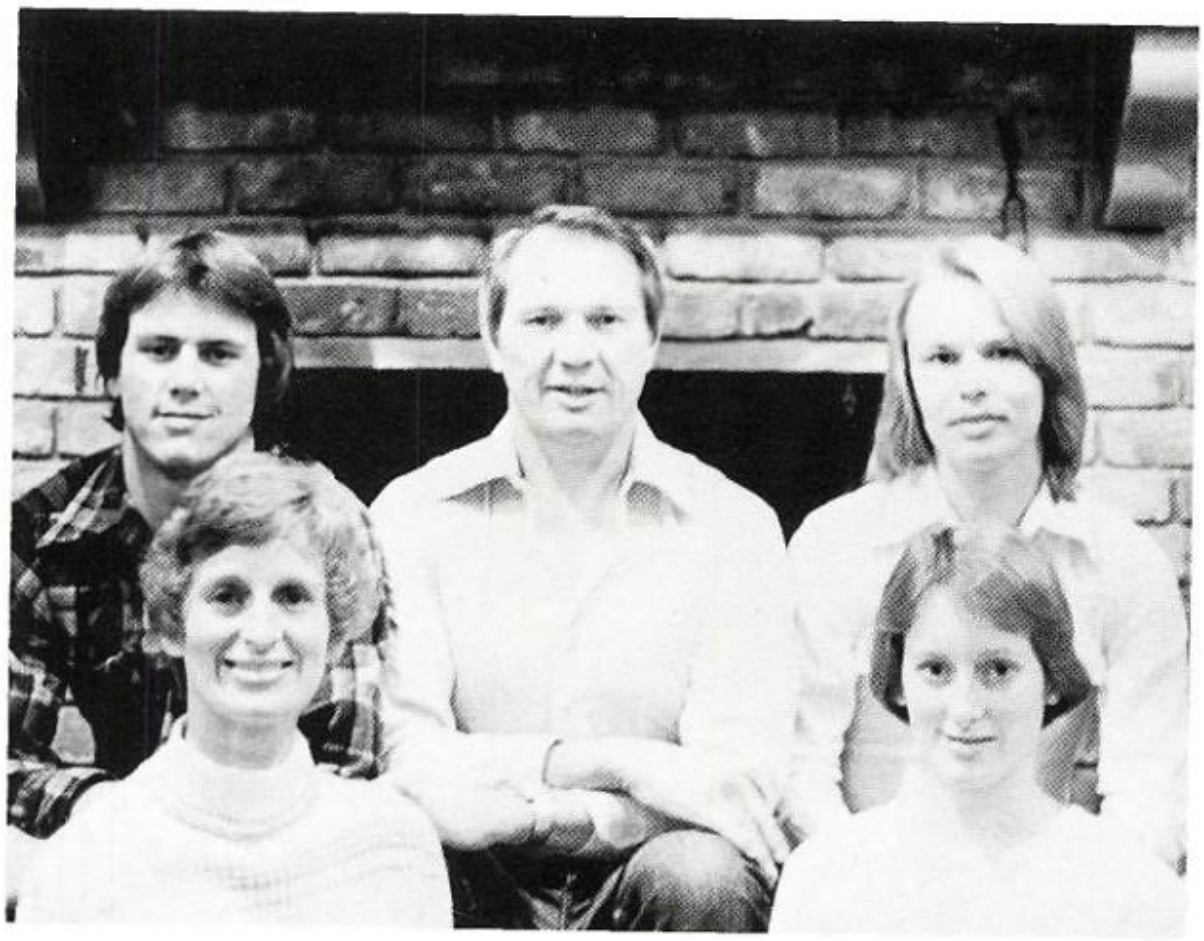
The Hagler family: *(left to right),* Mrs. Hagler, Mr. Hagler, Jeff, and Jim Starocelsky.

Renzo Antonio Caimi Solari is a foreign exchange student at TJ from the city of Vina del Mar in Chile. He attended Italian School in Chile. Renzo thinks school is much easier here.

While in Dallas, Renzo is living with the Pete Tunnell's whose son, T. W., is also a student at TJ. Renzo says that he likes Dallas, but that it is too big to travel in without a car. In addition to his schoolwork, Renzo keeps busy as a member of Chapel Hill Methodist Church where he plays volleyball for their team. He also practices soccer with the TJ soccer team.



The Tunnell family: *(left to right),* T. W. Tunnell, Mrs. Tunnell, Mr. Tunnell, and Renzo Caimi.



The Blair family: FRONT ROW: *(left to right),* Mrs. Blair and Cherri. SECOND ROW: *(left to right),* Brek, Mr. Blair and Jyrki Usva.

Vantaa, Finland is the home of Jyrki Usva, one of the four foreign exchange students at TJ. Through the Youth For Understanding program, Jyrki will be in Dallas until July, 1978. His foster parents are Mr. and Mrs. Bill Blair. Jyrki's favorite activity is soccer. He practices and plays for the North Dallas Chamber of Commerce team several times a week. When not playing soccer, he enjoys being a member of TJ's Senior Spirit Club and the *Document* Staff. In keeping with TJ's school spirit, Jyrki's favorite activity is football games, and the thing he likes least is W. T. White.

The Chadick family: *(left to right),* Teri, Tami, Ritva Parviainen, Tonya Mrs. Chadick, and Mr. Chadick.

Ritva Parviainen has been at TJ for nine months as a foreign exchange student. Her home is in Finland. While in Dallas her foster parents are Mr. and Mrs. Ellis Chadick, whose three daughters, Teri, Tonya, and Tami, also attend TJ. The major difference Ritva sees between TJ students and her friends in Finland is that the students here have more freedom. After her return to Finland in July, Ritva will resume her school work.

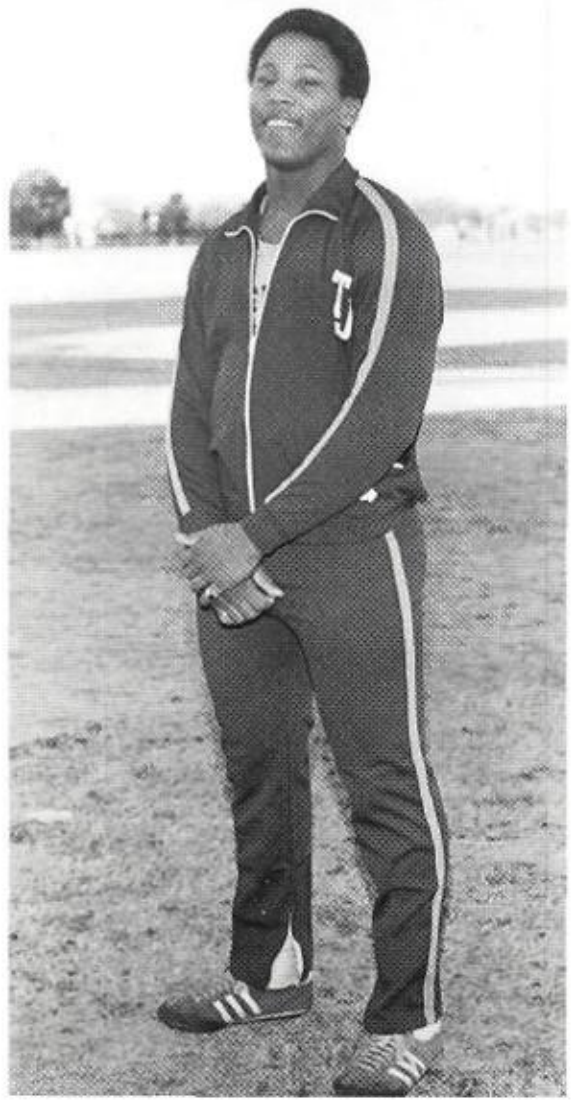
Patriots receive honors

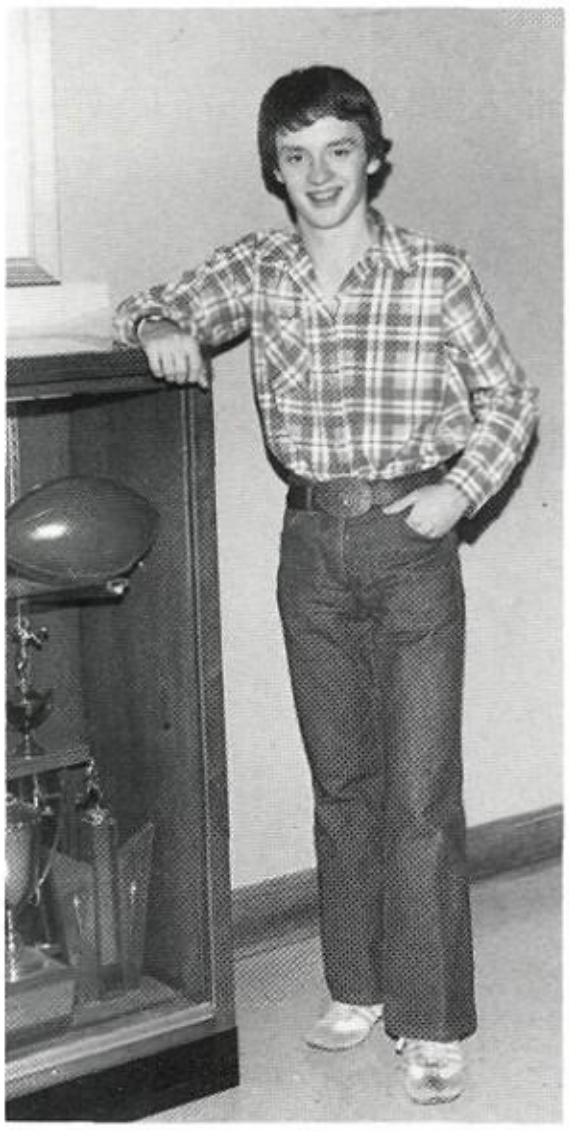
David Givens was the only TJ student to receive the National Merit Semi-Finalist award this year. To receive this award, David ranked among the top one percentile on the PSAT. Receiving honor awards is not unusual for David. He is on the "A" Honor Roll, is President of the National Honor Society, and was voted "Most Likely to Succeed" by his classmates. Last summer he won a study trip to Germany, which he won from his outstanding score on a National German Test. David's college plans include Texas A&M.

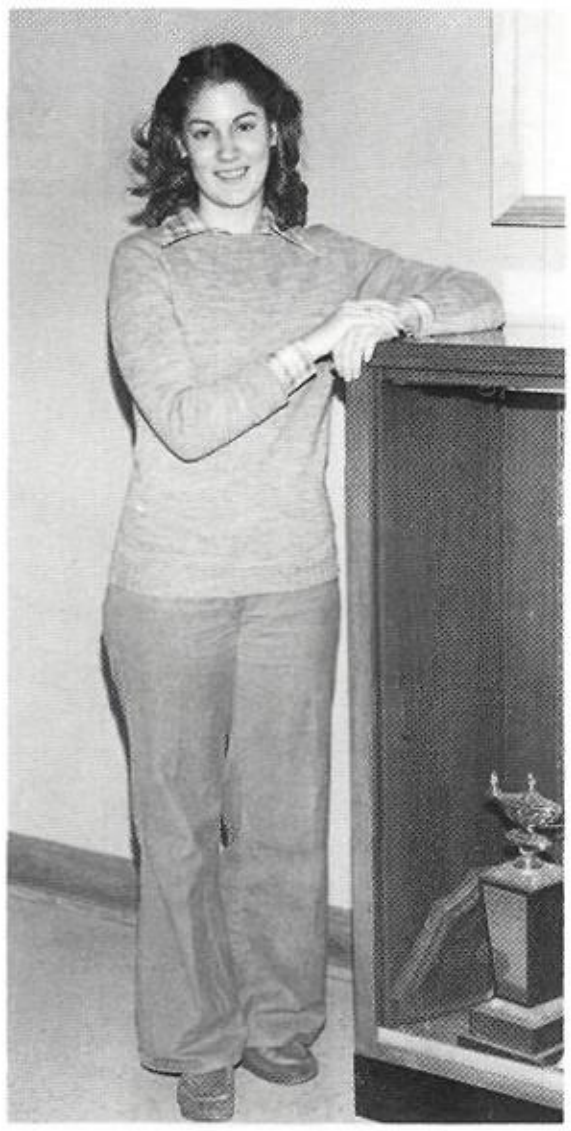
One of the two National Merit Letters of Commendation awarded to TJ students for 1977-78 went to Diana Nelson. Letters of Commendation are awarded to the top two percentile of scores on the PSAT. Diana has received other awards in addition to being awarded her Letter of Commendation. She is on both the "A" and "B" Honor Rolls, a member of the National Honor Society, and Quill and Scroll. The faculty also voted her as "Most Dependable." Her college plans include Baylor, where she has already been accepted.

Mark Scarbrough is the second TJ student who received a National Merit Letter of Commendation this year. As a TJ student Mark was active in the band and an outstanding German student. At the completion of his Junior year, Mark enrolled in Baylor University, which he is currently attending.

Michael Carter became an All-American shot putter for his efforts during the 1977 track season. As a sophomore Michael went all the way to State in the shot put and discus events. He finished first in the shot put and third in the discus. His shot throw of 58'11" for the twelve pound shot and 53'4" for the sixteen pound shot have each earned him National records in the 16 year old age bracket. TJ is proud to have Michael as a member of the Athletic Department.



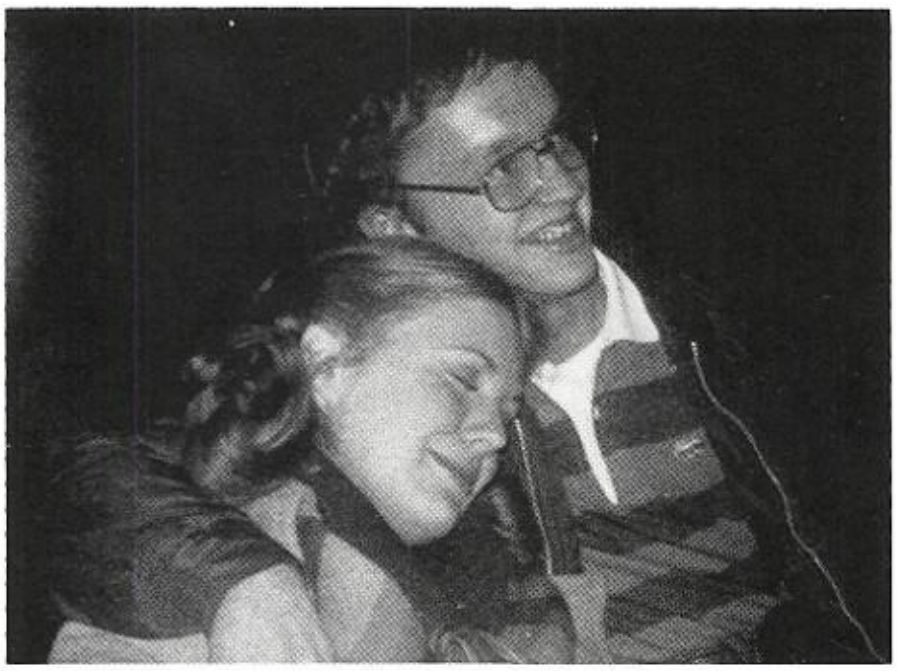


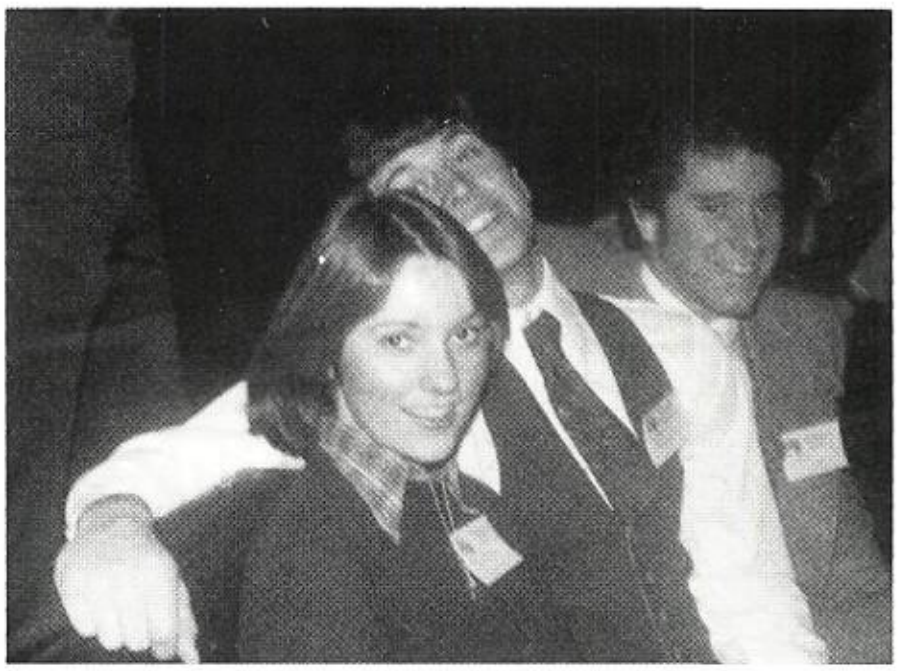


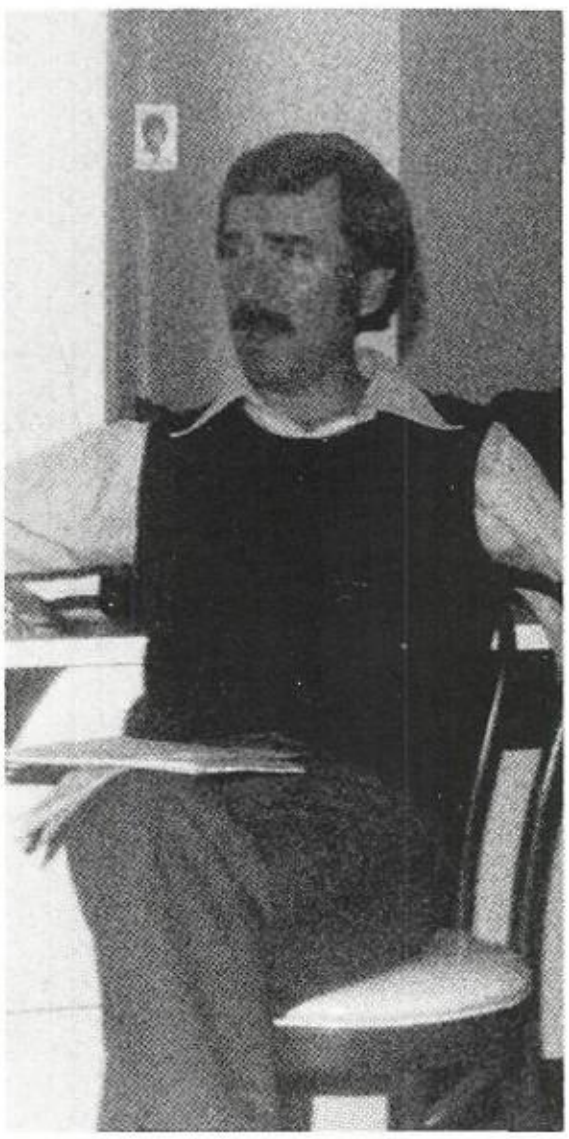
Patriots participate in Model U.N.

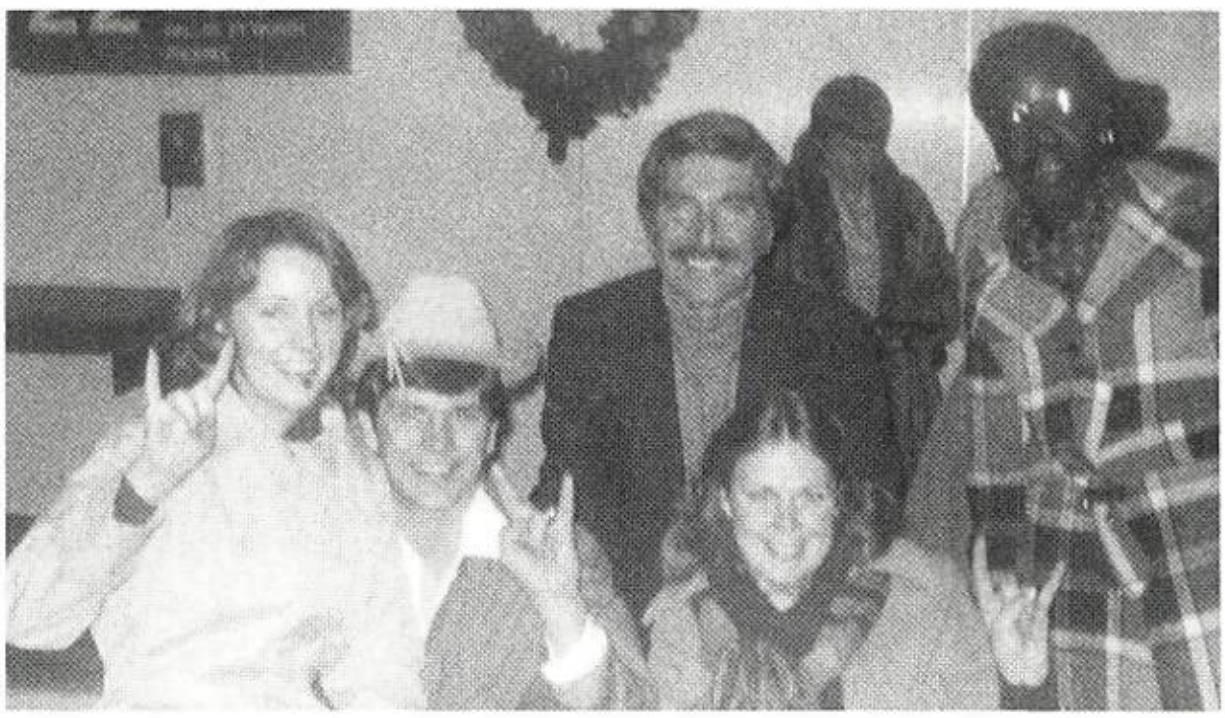
Eight selected TJ senior students were delegates to the 22nd Annual Harvard Model United Nations Assembly held in Boston, Massachusetts December 7-11. The Model UN is a mock United Nations sponsored by Harvard University in which each school invited to attend represents a separate country. TJ's students represented the Philippines.

The delegates who attended were Mike Fisher, David Givens, Joyce Howard, Jeanne McGee, Andrae Rhyne, Joe Ruiz, Jack Weaverling, Cindy Yeilding, and sponsor Mr. Rick Hidalgo. They were the first TJ students, as well as the first Texans, to ever attend the Model UN. The students were divided into seven committees and attended two to three seminars a day.









Who's Who

The *Document* started the tradition of recognizing outstanding senior students in various scholastic fields two years ago by beginning the Who's Who section of the yearbook. The purpose was to give these students the recognition they deserve for their scholastic abilities. Many times students go unrecognized for their academic achievements. The Who's Who section provides this recognition. Each student was selected on the basis of his outstanding ability, leadership, grades, skills, and cooperation in the classroom of his particular area. The students to be selected for this honor are chosen by the teachers of the department they represent.

Shawna,
Well, another year has slipped passed us. I admit we didn't get to do as much this year as last year but the memory of that keg can reigns in my mind forever. We will have to do more stuff together next year and the next.... O.K! We're only just begun so I won't quit with the memories here but only take a pause for the years to come. Until later.... pause... Take-care!! Bye!

Finally I'm
more jealous than you
think. You'll always mean
alot to me, and if you think
that you can get away from me.
Forget it. I'm looking forward to
seeing you this summer (next year too.)
I'd even go to another one of Alice's

Love you always (always did)

Shawna-
accidently got your book so thought I would say HI! I'm writing on this page so you will always associate me and the fun you had as pres. You really did do good considering what you had to put up with. We had some crazy meetings but I bet you never forget them! You've got a lot of patience, thank goodness, or how could we have ever become friends? Just remember that next time I start to bug you, O.K.?

My Dear Shawna Miller,

I've only had this document for 2 months and 2 days and I figured that since today is your B-day I should maysse express my feelings to you! Uh...uh.... Our sophomore year was a busy one but I wish I had been able to spend more time with you! We hardly ever see each other or have any classes together. You know you are a good friend of mine and though we've had fun times in the past & just hope we have more in the future. I love ya girl and I could say you're sweet and all that but I'm sure you already know it. Good luck in everything you conquer and remember - I'm behind you all the way!! Love ya Girl,

Jamie

OK - I won't write here either were am I supposed to write? I.B

P.S. Shawna, I really don't know what to say. We've known each other so long and I'm so glad your my friend. You've done so much for me and I'm glad that we've been able to spend some time together. I'll miss you next year but it's half over now, so better for both of us. But I can't wait 'til we're seniors.

Love Always,
Christie

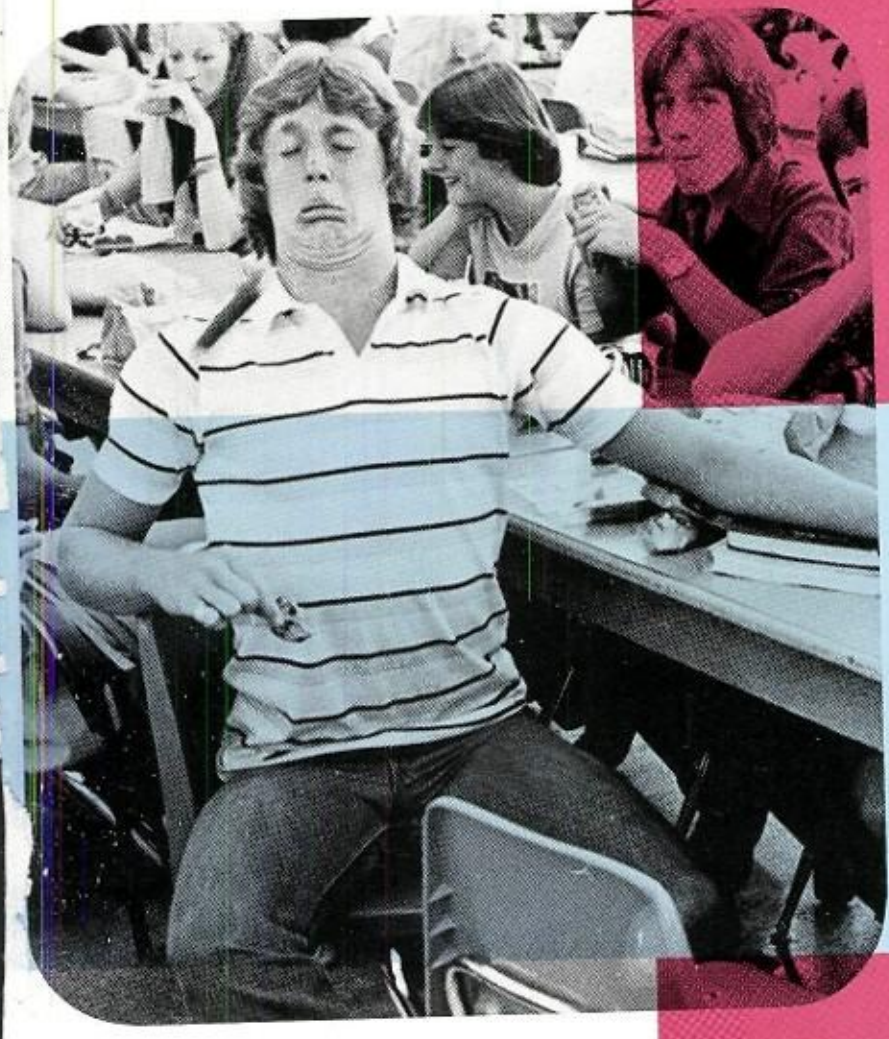
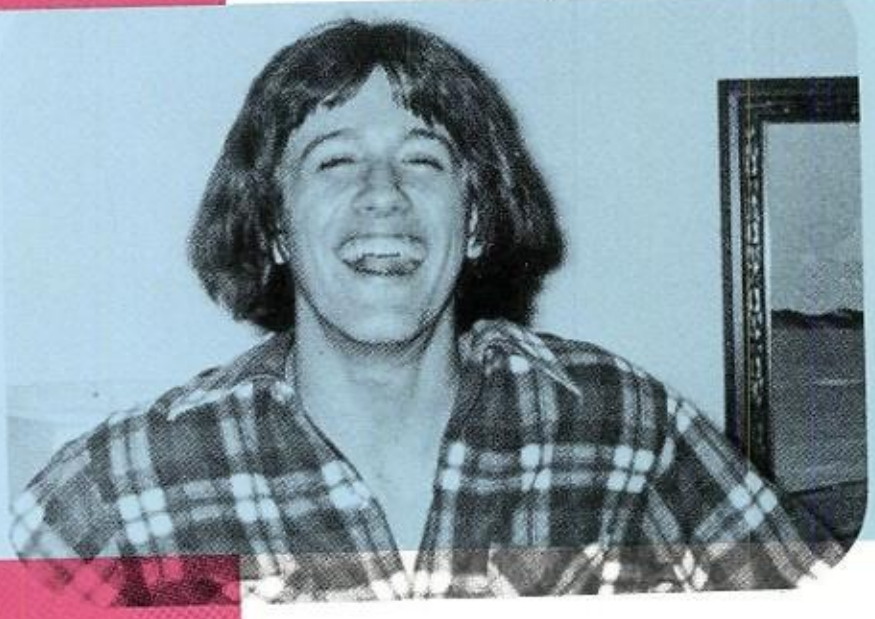
Shawna, this year has really been fun & hope I can see you next year. You have really been a sweet girl love ya Jennifer Randal





THE STAFF WOULD LIKE TO THANK SOME "KEY" PEOPLE . . .

.... Ginny "Baby Girl" Ballard for her never ending devotion and patience. There are no words to express the love we have for her. In times when we saw no solutions, she was always ready with an answer. Through Ginny we have a book we are proud of, but more importantly, we have a friend we love.

.... Charles Ballard for drawing art work for us, answering the phone, and teaching us to say "Mrs. Ballard."

.... Richie and Brian for keeping us in high spirits when we were exhausted, mad, and had given up hope. Special thanks to Richie for drawing lay-outs, stamping names, and understanding when Cindy was busy.

.... Dr. Kelly for granting us the generous funds to expand the color sections to the best they've ever been!

.... Pam Leonard for the outstanding artwork on the cover and division pages. Pam's incredible talent and the time she devoted to the artwork are especially appreciated because she attends our rival school.

.... Richard Manson, Eric Sorensen and David Givens for helping with our photography troubles.

.... Steve, Mrs. Gary, Sandy, Pat, and Wanda from Gary's Studio, for their co-operation in getting pictures.

.... The Guidance Center and the Business Office for letting us use the phones.

.... Mrs. Linder for letting us take down the announcement board and for taking phone messages.

.... Ms. Marion Cole for letting us use her art materials to take some of the pictures with and for cutting out some of the art work.

.... Tupinamba for allowing us to use their facilities for the Beauty Tea.

.... The judges of the Beauty Tea for giving up a Sunday afternoon.

.... Mr. and Mrs. Joe McGee and Mr. and Mrs. Clifford Everett for being supportive and loving when tempers flared around deadlines. They ran errands for us, made telephone calls, and never complained about the editor's rooms when they were too busy to clean them.

.... Mr. Brewer and the stage crew for their help in the assembly.

.... The Student Body for being the outstanding subjects for the 1978 *Document.*

Shawna,
I can't tell you everything I would like to 'cause it would take up too much room. But I do want to say that you're really been a great friend! You've put up with alot of shit from our Sri-Hi-Y and I really appreciate it. I wish you the best of luck always and I hope we keep in touch.
P.S. Remember SR. 80! Love Ya, Kelley

Shawna,
You don't realize how much I treasure our friendship. As time goes by I think we get closer and closer together. You've been a great friend and have always been around when I needed you. You have a lot going for you and if used to its best you will go very far in life. Please let's not ever lose what we have going. Let's always keep in touch. Stay sweet and beautiful and I know I'll see ya this summer.
